

"Romance after 40" pitched to women

That's what got you here  
weary of face regardless  
of makeup. Succession of  
  
horny louts. Perhaps match-  
maker pro'd be best,  
  
who truly sees us,  
not the one we see.

At any rate you should seek  
real partner. Sex on the dial,  
  
but hardly pegging out. Called  
growing up. And going forth.  
  
So you'll turn towards sleep-  
er many years hence and say  
  
What an asshole!"  
with bemused warmth.
